Assembly & Face

Sew the head to the body, then the ears to the top of the head, folding each ear base slightly so the ears flop to the sides. Sew on the arms, legs, and tail, pinning each piece first and checking the balance. Embroider a small pink triangle nose and a gentle smile curving down and out on each side, with a few light pink stitches on each cheek for blush. Tie the sage green bow around the neck and weave in all ends securely.

Tips

- Keep tension tight so no stuffing shows through; drop half a hook size if it does.
- Mark the first stitch of every round — continuous rounds are easy to lose count in.
- Stuff a little at a time and shape each piece before closing it.

Happy crocheting! This pattern is free for personal use.
