Crochet Mitten Ornament Pattern

A free mini Christmas ornament — red mitten, fluffy white cuff, embroidered snowflake and hanging loop

Finished size: about 9 cm tall (excluding the loop), with DK yarn and a 3.5 mm hook.

Materials

- DK or worsted-weight yarn: red (main colour) and white (cuff and snowflake)
- 3.5 mm crochet hook
- Yarn needle, scissors, stitch marker
- Small amount of toy stuffing or yarn scraps
- Red-and-white baker's twine or twisted cord for the hanging loop

Abbreviations: MR = magic ring, sc = single crochet, inc = increase (2 sc in one stitch), st(s) = stitch(es). Work in continuous rounds unless stated otherwise; do not join rounds.

Mitten Body (red yarn)

Rnd 1: 6 sc in a magic ring. [6]

Rnd 2: Inc in each st around. [12]

Rnd 3: (Sc in next st, inc in next st) 6 times. [18]

Rnd 4: (Sc in next 2 sts, inc in next st) 6 times. [24]

Rnds 5-12: Sc in each st around (8 rounds). [24]

Fluffy White Cuff (white yarn)

Rnds 13-15: Join white yarn. Sc in each st around (3 rounds). [24]

Fold the cuff down slightly over the red body to hide the join and give a cosy, finished look.

Thumb (red yarn, make 1)

Rnd 1: 6 sc in a magic ring. [6]

Rnd 2: Inc in each st around. [12]

Rnds 3-5: Sc in each st around (3 rounds). [12]

Fasten off, leaving a long tail. Close the top of the tube with a few whip stitches, then sew the thumb to the side of the body at rounds 7–9, closed end pointing slightly upward. Sew firmly all the way around the base.

Finishing

- **Snowflake:** with white yarn, embroider three straight stitches crossing at the centre on the front of the mitten, then add a tiny stitch at the end of each arm.
- **Stuff lightly:** add just enough stuffing to hold the shape without stretching the stitches.
- **Hanging loop:** twist red and white yarn together (or use baker's twine), fold into a loop and sew both ends securely inside the cuff.
- **Make a pair:** crochet a second mitten in green or cream and mirror the thumb so the thumbs face each other; join with a cord for a classic pair.

The finished mitten ornament, ready to hang.

Tips: keep your tension slightly tight so stuffing does not show through; one mitten uses less than 20 g of each colour, so this is an ideal scrap-busting project. Happy crocheting!
